1. About Family Digest ARTICLE submissions: FamilyDigest.com wants to feature writing on key topic areas (**Family & Parenting, Love & Relationships, Health & Wellness, Happiness & Vacations, Food & Entertainment, Skin & Hair Care, Education, Money & Career, Personal Stories, Fiction Stories, Cartoons/Comics**) that move forward, inspire, or otherwise lift-up Black Americans. We expect FamilyDigest.com's Guest Contributors to bring distinct voices and points of view. We accept articles and stories from women and men of any race, creed, color, or national origin.

Family Digest is essentially a "How-To" space. We want everyone who reads our articles to know and be able to take specific actions to make their (and those close to them) lives better. Said another way, if we read your well-edited submission and we can use the info to make our lives better, your submission is likely to be published and promoted.

Family Digest's our mission statement is "**Smarter, Healthier, Happier Black Families & Relationships.**" Do you have an Article that you wish to share with FamilyDigest.com's audience on family, parenting, motherhood, fatherhood, love, relationships, physical health, mental health, beauty, skin care, hair care, happiness, travel, education, money, or career? Is your Article interesting, helpful, and persuasive? Wonderful!

2. FamilyDigest.com accepts PERSONAL STORIES because we believe that personal stories – told in the first person – can connect with readers in powerful ways, leading to positive changes. Personal Stories help FamilyDigest.com's readers better understand the world. A FamilyDigest.com Personal Story is unique, authentic, compelling and – as said earlier – told in the first person. Do you have a Personal story to share with FamilyDigest.com's audience that reflects your experiences, your thoughts, your culture or your life that you want to share? In your Personal Story, you should tell us how you are living your life. Do not tell others how to live theirs.

3. FamilyDigest.com accepts FICTION STORIES. Do you have a Fiction story to share with FamilyDigest.com's audience? Great!

4. FamilyDigest.com accepts CARTOONS/COMIC STRIPS that focus on our topic areas.

5. A good submission to Family Digest:

- Has a great Title that is irresistible to prospective readers.
- Has a strong starting paragraph.
- Is well-edited.
- Has high-quality writing.
- Makes a point.
- Normally provides step-by-step advice that the reader can follow.
- Is NOT difficult to read.

- Often has controversy. Here, the writer takes a different stance on something that's trending in the news and/or is important to our audience.

6. We Do Not...

- We do not accept previously published work. Google does not like duplicate content. Please do not publish your article or story anywhere else on the web, including your own website.
- We do not want and will not accept submissions that are just ads or promotion for a product or for the author.
- We do not accept poetry.
- We do not accept children's fiction.
- We do not accept erotica.
- We don't want to get into rights issues, so no living public figures as characters, fan-fiction involving proprietary characters (Black Panther, etc.), or song lyrics. Passing references to all of these are fine.

7. You retain rights to your submission. We ask that you not publish your story online—including your own website. This is not a "rights" issue. This is a "Google does not like duplicate content" issue. By submitting your article, personal story, fiction story, or cartoon/comic strip you agree that FamilyDigest.com has the right to publish & promote your submission in FamilyDigest.com, related platforms, and anthologies, in our sole discretion. We may edit your submission to meet our style, mission, and editorial guidelines, in our sole discretion.

8. Other Terms and Conditions. The following terms and conditions are subject to change so please review this page on occasion: In exchange for getting published on FamilyDigest.com, in whole or in part, you give Family Digest Magazine the nonexclusive right to publish or republish the submission in FamilyDigest.com or affiliated platforms. In submitting the article, story, cartoon or comic, you warrant that it is original, that it does not infringe another's copyright or proprietary rights, and does not violate any person's right of privacy. You will be deemed to have accepted these terms upon submission of your piece. If you do not accept these terms, do not submit a piece to FamilyDigest.com.

9. You may submit as many articles as you wish, as often as you wish.

All you need to do is sign up and submit your articles/stories/cartoons. Our publication editors review all submissions before they are posted live. You will not receive notification that your post was published.

11. FamilyDigest.com is not a space for threats of violence, hate speech, harassment, conspiracy theories, "doxing" of personal information, posting of private communications between private individuals without the explicit consent of all parties to the communication, spam, duplicate content, ads, promotions, marketing, pornographic images, copyright and trademark infringement, deceptive content, complaining, blaming others, politics, or other content that we may deem to not be a match for FamilyDigest.com.
